Dear Supporters, Volunteers, Counselors, and Friends of Life's Key Ministry,

I'd like to thank you once again for your support of the work we are doing in the name of our Lord Jesus. With your help, we mailed out 2,618 courses in the month of May, which pushed us over the 10,000 mark for the year so far! Praise the Lord! We know He has a plan for each and every course that is sent, even though we are not there to personally see it delivered.

2 Corinthians 5:6-7 – Therefore, being always of good courage, and knowing that while we are at home in the body we are absent from the Lord-- for we walk by faith, not by sight.

I was very encouraged by something that happened over Memorial Day weekend at our annual church retreat. There was a man there that I had never met before. His name is Mike, and his son has been attending many of the functions we have for the kids at our chapel after being invited there by a friend last fall. We were able to chat at various times during the retreat, and he opened up a little bit about the fact that he has had a rough past, including having spent nine years in jail. It turns out that God used Life's Key to lead Mike to Christ. Starting in 1991 he faithfully completed as many courses as he could, and has kept the booklets which he now goes through with his son, who is also interested in accepting Christ.

This is why we do what we do! God makes miracles happen! We can go forward with confidence and KNOW that there are countless others who have seen a change in their life similar to what Mike has gone through. I am so thankful that He has allowed our paths to cross, so humbled to be a part of the plans He has for others, and so excited to one day meet all the "Mike's" and hear their stories in Glory!

Here are a few more testimonies of lives that God has touched through Life's Key:

"Thank you all very much at the ministry for providing me these study courses. I did not know if I could be saved or not until you all gave me the answers I always sought. Because of your ministry, I have picked up the bible for the first time in my life. So many doors of knowledge have opened for me now. I now read the bible at least 2 ½ hours a day and attend church 2 times a week while here. I am so drawn to God's work now because everything is starting to make sense to me. This is truly the best gift I have ever received. That will last a lifetime. Thank you from the bottom of my heart." – Wesley (Michigan)

"I wanted to take time to write and thank you all for the work you do in getting our Lord's word and love to inmates like myself and all the others. I really enjoy the lessons and the wisdom and peace they bring me is very great indeed. I want to study all I can with my Lord's word so as to become a stronger disciple for Him...and it's in part your work that's allowing this to happen." – Scott (Virginia)

May all we do be for the glory of God!
