

March 2015

Dear Supporters, Volunteers, Counselors, and Friends of Life's Key Ministry,

God has used this ministry in great ways over the course of our existence. We are a prison correspondence ministry, and God is using us to touch the lives of many people inside the prison walls. However, God is also using us as we cross paths with those around us, even those that enter the walls of our office building.

This past month, a couple of different events occurred that led to a special moment between myself, Mary Ann, and two gentlemen who were in the office. It was on a Wednesday when a couple of things started to go wrong. We had some issues with our printer and I was unable to feed any envelopes through it, which is something that would really put us behind. So I called the man that works on it for us and he said he could stop by on Friday. We had issues with our boiler on the same day. There was an error code which shut the pilot off, resulting in no heat. So I called our people for that, and they also said they would come on Friday.

On Friday, our printer got fixed upstairs and our boiler got fixed downstairs. Both got done at the same time and we all ended up in the same room where we found out that the 13 year old son of the man who fixed our printer was having open-heart surgery in a few days. So I offered to pray for the family, and especially the boy, Michael.

I don't know the hearts of either of the two men who were there with us that morning, but God does. I fully believe that meeting was divinely orchestrated and am thrilled that it happened within our walls! As you pray for us, pray that God will continue to use us for opportunities like that, and of course, the continuous encouragement of the many inmates that are using our courses to study His word!

"Jesus replied, 'What is impossible with man is possible with God.' " - Luke 18:27

"First and foremost, I would like to thank my Lord and Savior Jesus Christ. Secondly, I pray that His peace and blessings be upon you always.

I would just like to thank those of you that have been tirelessly working in the service of the Lord. I thank you for the lessons and the knowledge that I have been receiving. Had it not been for your efforts, I would have been just "doing time". I'm not just doing time, I'm learning about my God and getting into a personal relationship with Jesus. Keep up the good work!" - Lamont (Virginia)

"I don't have any questions right now, but I would like to thank you for taking time to help people like me. I want you to know you are doing a great service for the Lord. I am doing everything I can to change, but without God, I know I can't do it. I believe I will be able to make it with God's help. Thank you for helping me learn about Jesus and how to serve Him. I will pray for Him to prepare a special place in Heaven for you." - Brian (Kentucky)

May all we do be for the glory of God!
