Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

I'd like to take this opportunity to focus on feedback from inmates this month. I have used this letter the last couple of months to focus on ways that the Lord is guiding us to save money, but we can't forget about those lives that the Lord is actually saving! Please keep this ministry and our students in your prayers, and I pray that you all will have a wonderful time in remembrance of the death and resurrection of our Savior, Jesus Christ. HE IS RISEN!

"The angel said to the women, 'Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; He has risen, just as He said.'" - Matthew 28:5-6

"I just wanted to write and tell you how thankful I am for your studies. You have helped me get to know Jesus and become such a better person at heart. I look forward to your courses and now I'm excitedly waiting for the next exams. I love to share my testimony about my struggles and how Jesus came to rescue me. I talk to the people around me about Jesus and how He saves.

What I want to tell you is thank you. I have become a new person and I owe it to you. You have helped me get to know Jesus, and for that I am more thankful. I could never even begin to express how thankful I am with this pen and paper because it's just not possible. Keep doing what y'all are doing." - Steven (Ohio)

"I would like you to know that the courses provided by Life's Key have helped me greatly and have been a crucial tool in my Christian growth and sanctification. Each course has taught me how to live as a Christian, what to expect as a Christian, and what is expected of me...a Christian. These courses have kept me in the scriptures, constantly referring back to the bible and have helped me to understand my bible more.

It is imperative to my continual Christian growth to continue these courses after my release from incarceration as I face the world of evil as a new Christian. God bless you!" - Marcus (New York)

"Happy birthday to me...Happy birthday to me! I got the card you all sent last night and I want to thank you all from the bottom of my heart. I know I've written you before when receiving a birthday card, but you just don't know how much it touched my heart. Since my mom passed away, family moves on, forgets birthdays, etc, but each year I always get a card from you all at Life's Key.

I've been in here since I was a sixteen year old child. In many ways I'm still child-like and in an environment where everyone is for himself. My own two sisters or Dad didn't even send me a card.. :-(

I know not everyone responds, but I believe I speak for all those who have been sent birthday cards. It means a lot to us and I know God is smiling down on those at Life's Key who haven't forgotten us." - Robert (Virginia)

"This is my last course. I'll be getting out on the 16th of this month. I want to thank you for giving me the opportunity to do these courses and get my life back on track with God. I also want to thank you for renewing my faith, and being there for me throughout these whole six years of my incarceration. I leave you with love, peace, joy, and happiness. No longer a number, but a doer in Christ!" - Elan (Ohio)
