

December 2019,

Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

Some students write letters of appreciation, some write with their thoughts and concerns, and some share with us their desire to praise the Lord in poem. I love these because the thought it takes to write a poem really shows where their heart is, and that they are focused on Him.

A belated Happy Thanksgiving to you, and an early Merry Christmas! May the Lord bless you as we prepare to move forward into another year, perhaps the year of His return.

Seed of Life

What a blessing it is to plant a seed
As a Christian, this is a wonderful deed
Nurture it with water and plenty of light
And with hope and love it will be alright
A storm may come and challenge its way
But if you keep the faith it will live another day
Only to grow stronger and taller
And its life will last much longer
When it is ready it will have fruits to bear
And then its seeds will spread everywhere
All this can come from one seed
God works miracles indeed

Standing Firm

Father, I praise Thee.
I thank You for watching over me as I grow.
You and You alone raised me!
Wicked thoughts used to enslave me
But you give me hope.
By Your will and Your Word, You made me!
Hallelujah, You forgive me even when I act crazy!
Forgive me for being lazy
For a man that does not speak Thy Word will not get fed.
If I am not alive in You
I am nothing but the walking dead.
To know You is to know love and peace.
Without you there is only hate and confusion
And love would cease.
You hold our time in Your hands
And the time I have left, I will no longer waste
Because I'm a part of Your plan.
You wash away my sins with Your blood
So that I may stand firm in the faith!
