

February 2018,

Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

I received quite a few student letters this month that I wanted to share with you. While I always have a lot to pick from, these really stood out as an encouragement to me. This is the reinforcement that keeps us focused! There is a real person on the other end of each package we send, and God is using what's in there to bring lost souls to Him, and draw closer those that have already accepted the free gift of salvation. I'm so thankful that they share their stories and appreciation with us, and pray those stories will continue for many years to come.

Please continue to pray for us as we encounter road block after road block in the state of Michigan. Packages are now being rejected because Emmaus International is not on their list of approved correspondence schools, and paperwork has been submitted in an attempt to change that, which would lighten some restrictions.

“For he himself is our peace, who has made the two one and has destroyed the barrier,
the dividing wall of hostility” - Ephesians 2:14

“I am writing to thank you for publishing ‘Walkin’ the Walk’! All I can say is Wow! I ‘checked’ into this jail a believer who let myself fall in a deep downward spiral of alcohol addiction. Two DUI’s and a child neglect charge later, and here I sit without bond.

But by God’s grace, this has been the most humbling experience, not to mention therapeutic! I tried several intervention classes on the outside, but absolutely nothing will ever come close to the treatment plan of 66 days one-on-one with Jesus Christ that I have been blessed with so far. I was not arrested, I was rescued!

Romans 8:28 has been one of my very favorite scriptures, even more so now. Thank you again for sharing the wealth of knowledge that I needed re-iterated.” - Miranda (Virginia)

“I recently came across one of your study guides that another inmate had laid down on a bookshelf. I picked it up and started to read through it and was very pleased with the amount of valuable information that was in it. I am a Christian and I made a very bad decision in my life during a time when I wasn’t giving my all to our Lord & Savior. I’ve asked for forgiveness and for Him to come back into my life and lead me to salvation. My wife & children have made the choice to stick by my side and walk through this entire journey with me. I know they are struggling at home without me, but we are putting everything in God’s hands and allowing Him to do His good work.

I know that God has an ultimate plan for me and I want to learn everything I can about Him so I can share it with my family daily when we are reunited. Thanks for any information you can send.” - Shannon (Virginia)

****In response to the question, “What is your favorite Bible story and why is it your favorite?” (Summary of the Bible)****

“When the people walked seven times around Jericho and screamed and all the walls fell. Being in prison, we tried this, and even though it didn’t work, one day these walls will fall down for us all.” - Crystal (West Virginia)
