

February 2021,

Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

I received several student letters this month that I wanted to share, so I will devote all the space this month to those letters and our course highlight. Thank you for your interest in the Lord's work through Life's Key!

Course Highlight: THE SOURCE OF LIFE

"The Source of Life" was written by William Bradshaw, first published in 2015. This course is centered around and touches on all 21 chapters of the Gospel of John. While we also have two courses further into the curriculum that go into much more detail (John – Part 1 and John – Part 2), this course is a more simplistic teaching of the truths found in that book, ideal for a new believer. Inmates are shown very clearly that "With grand simplicity, the apostle John begins his account of the earthly life of Jesus Christ by boldly stating one of its most significant themes – that Christ is the Creator and Source of all life, both physical and spiritual." We are mailing about 125 of these per month, and the course is not currently sponsored.

"In the beginning was the Word, and the Word was with God, and the Word was God." - John 1:1

DEAR LIFE'S KEY,

"I have never come across information like this in all my life! It has touched places in my heart and soul more than I could ever imagine. Keep up the good work! Astounding things are being accomplished in people's lives because of these studies." - Paul (Florida)

"May Father God bless your ministries and ministers with His will and abundant grace in Jesus' name, Amen! I'm still using your Bible teachings and commentaries that you sent me from 1997-1999. I use them to aid in our Bible group and ministry. And you never forget my birthday! Thank you!" - James (New York)

"Just wanted to drop a line or two and say thank you for grading and responding to our questions. It really does mean a lot knowing that someone who doesn't know me cares enough to do this. I am growing in the word almost every day. I know I need to do it every day and I don't plan on praising Him only while I'm here. I'm going to take my new found happiness with me. I've quit cursing, and I catch a little flack over it, but it's nothing like being stoned or thrown in a lion's den. Once again, thank you." - Joe (Virginia)

"My name is Craig and I'm currently serving a life sentence in SCI-Albion. After many years of trials, tribulations, and self-doubt, a friend of mine told me to look to God and he hands me this piece of paper on prison resources. Then he continues to tell me about your courses that could seriously change my life for the better, so here I am hoping this is my light at the end of the tunnel. I am willing to learn whatever is to be taught and become a better me. If there are any other people or places that can help me, my arms are wide open." - Craig (Pennsylvania)
