Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

While everyone has unfortunately gotten used to things like sickness and quarantining, and while we all know someone that has gone through those struggles, it has been an especially difficult couple of months for our volunteers. Two of our course commenters recently went home to be with the Lord, and a few of our office workers have either had to stay home for weeks at a time or ended up in the hospital.

I am so thankful to be part of a group willing to take on extra responsibility when someone can't be here! The way everyone works together toward the common goal of helping our students grow in Christ is such an encouragement. We continue to pray for those that are sick to get healthy and look forward to the day when the daily "crews" are all here and back to normal!

Course Highlight: NEW TESTAMENT SURVEY

"New Testament Survey" is the last course sent in our "Intro to the Bible" section of the curriculum. It is written by James L.R. Catron and was first published in 1996. The course takes a look at the entire New Testament, briefly giving the context, outline, major themes, and a description of its content. The purpose is to help the reader understand how each book fits into the bigger picture of the Bible, and how all of it points to Christ, who stands as the center and climax of all of Scripture. We are currently mailing about 30 of these per month, and those costs are generously being paid for by one of our course sponsors.

"He said to them, 'How foolish you are, and how slow to believe all that the prophets have spoken! Did not the Messiah have to suffer these things and then enter his glory?' And beginning with Moses and all the Prophets, he explained to them what was said in all the Scriptures concerning himself." - Luke 24:25-27

DEAR LIFE'S KEY,

"Hello. My name is Cathy and I am an inmate at the regional jail in Duffield. I have lived life my way for 40 years and here I sit. I am now giving the rest of my life over to God (He had this planned the whole time). I would very much love any courses or classes that you offer that will further my knowledge and relationship with God. I will complete all my assignments in a timely manner and will apply myself diligently. Thank you for all you do!" - Cathy (Virginia)

"Recently I prayed seeking an answer, and today I noticed this Life's Key welcome letter in my celly's box. It was exactly what I needed, and I would pleasssseee love to do the Bible courses. I am finally understanding the true meaning for life, and I'm young (29) and wanting to get clean. I'm battling myself, and am finally listening, and don't want to lose this motivation. Thanks, and God bless." - Jeremy (Ohio)

"My life has been a total train wreck until 2-2019 when I finally realized the depth of how truly lost I was and have been without Jesus. Without Him I had nothing and didn't even realize it until I lost everything. Now I have nothing and feel like I have everything because I have Jesus." - Patti (Virginia)
