

July 2021,

Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

There's lots happening this summer! We continue to push forward on our building renovations. Framing has been completed and once the plumbing and electrical are done then we can move forward to drywall, cabinet installation, and amenities as we get closer to having these rooms fully functional once again. I'm sure our office workers are looking forward to not having the large cabinet boxes lining our hallway anymore.

I am also looking forward to volunteering for a week at Camp LiLoLi in July. We are thankful to the Lord that the camp is allowed to be open with little to no restrictions! We pray the Lord will open the hearts and minds of the kids in attendance, especially those living in non-Christian homes.

Course Highlight: WHAT THE BIBLE TEACHES

"What the Bible Teaches" is sent along with "The Bible – What's in It for You?" as part of our "Intro to the Bible" section of the curriculum. The first edition was published in 1949, making it one of the oldest Emmaus courses. It was written and collaborated on by ten different authors and edited by William McDonald. It focuses on helping the student understand what the Bible teaches about many important subjects of eternal significance. The chapter names are very simple with titles such as "God", "Humanity", "Sin", "Jesus Christ", "Salvation", "Grace", "Faith", "Heaven and Hell", and "The Return of Christ." Students will discover what separates men and women from God, the value of Christ's death and resurrection, and how they can have a personal relationship with God. We are mailing about 60 of these per month, and it is one of our courses sponsored by someone as part of the Life's Key Course Sponsorship Program.

"Prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit."
- 2 Peter 1:21

DEAR LIFE'S KEY,

"Thank you for your time. I am currently in jail, but have turned my life around to Jesus, even though I am here under false allegations. I realized this time was perfect to get my relationship right with God and put His will and plan for my life above all things. Doing everything in my strength prior has done nothing but lead to failure and having toxic people in my life. Please could you send all the courses from your Christian living series? I have read one of them and I truly believe these can be effective tools for furthering my walk with God.

My bunkmate, Jerry, would also enjoy to have your courses. Thank you, and God bless you, and continue the work of the Lord you are doing!" - Ricardo (Florida)

"I had accepted Jesus as my Savior approximately 17 years ago. However because of who I am (or was) and the world around me, I gave up on God and denied His existence. In December of 2020, He manifested Himself in me in a way I did not even realize I asked for. My faith and thirst for His wisdom has never been more sincere." - James (Pennsylvania)
