

June 2019,

Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

We continue to be thankful that the Lord is allowing us to experience the growth that we have been praying for. So far this year, we have mailed out 9,294 courses, which is almost 1,200 more than we had mailed at this point last year. The major driving force has been the increase in new enrollments. During the past 6 months, we have sent a weekly average of 95 new students their first course, Born to Win. That's compared to an average of 72 per week in the 6 months prior. That increase not only makes the number of returned exams go up, but also means that we have more inmates telling others about our courses, which generates even more enrollments.

In addition, this past month I was asked if Life's Key would assume responsibility for mailing into the five New England states of Connecticut, Maine, Massachusetts, New Hampshire, and Vermont. This will also bring about many new students as we reach out to those who have already been taking Emmaus courses in those states, as well as take over any new enrollments that come from there.

It has been an exciting year for us as we have been corresponding with many new students in new areas of the country. We sure have been busy! Please keep us in prayer as we continue to process increasing amounts of mail, work in new commenters that the Lord has called to help us (though we could use even more), and strive to do the best job we can to give each and every student the attention they deserve as they focus on the Lord!

“For I know the plans I have for you,” declares the Lord, “plans to give you hope and a future.

Then you will call upon me and come and pray to me, and I will listen to you.

You will seek me and find me when you seek me with all your heart.” - Jeremiah 29:11-13

*“I just wanted to thank the staff at Life's Key for remembering my birthday, even though I'm sure that it's programmed in your computers, it's still very thoughtful. I appreciate the work that all of you do. It can get a little lonely in here, even being around hundreds of men, so any mail is appreciated. Please take care and continue to do the Lord's work.” - Gordon (Virginia)*

Q: Briefly tell us about how you have met the Master.

A: *Unbidden, the Lord showed up in my prison cell. An open vision. We both spoke. The Lord showed me things of life. I was healed of a 38 year affliction. I asked, “What do you want of me?” The Lord said, “Just love Me.” That's not what I expected to hear...it broke me. August 5, 2018 is the greatest day of my life.*

Q: What is your response to Jesus Christ?

A: *When the Lord visited me, He showed me that my choice is life or death. Satan had robbed me of almost everything. He lied to me and was trying to kill me and those I love. The Lord has protected my life for His purpose. It's that simple. The Lord gave me the choice...life or death. I chose life and accepted Him as my Savior. I love Him and worship Him every day.*

Prayer Requests: *“I humbly request that the scales come off my eyes, and the plugs out of my ears, so that I can see and hear the Lord as He speaks to me.” - Roger (Virginia) \*\*comments from the course “Men Who Met the Master”*
