

March 2019,

Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

This month's letter will focus on our students...what the Emmaus Bible courses mean to them, how the courses are shaping their future, how they need prayer, and even a poem outlining how Jesus Christ has changed a life. This is what it's all about! Regardless of what challenges may come our way, we remain focused on the fact that God has a plan for these people, and we've been called to play a part in that. We do it humbly and with joy!

“May the God of hope fill you with all joy and peace as you trust in Him,
so that you may overflow with hope by the power of the Holy Spirit.” - Romans 15:13

“Thank you so much for taking the time to help me and others study God's word. I have learned so much from all of the Bible studies y'all send. I pray that God will bless each of your lives in a mighty way.

I really need prayer for the end of this month. My lawyer is going to the parole board to ask for me to receive an early parole date. Please pray that if it is God's will for my life, that I will receive one for this year. Please pray that I will be able to go to a Bible college or seminary school when I get home. Please pray that I will be able to spend time with my Mom when I get home. She is in a nursing home. Please pray for her health. Her name is Sue. Please also pray for my brother Charlie. He has been accepted to a rehab in March. Please pray he will make it there. My sister died of an overdose one day before she made it to rehab in 2014.

Also, please pray for the drugs in Montgomery Women's Facility. Please pray they will stop making it into the facility. Thank you so much for your prayers! God bless you all!” - Patricia (Alabama)

“I want to thank you for allowing me to take these courses. I know I am down to about 4 books left, but I wanted to take a few moments to say that these books have truly changed my life and I feel that I have become closer to Christ and all of the word of God throughout this program.

When it is time for me to leave prison, I will be a much greater child of God for receiving the word of God from Life's Key. It is the correct name for the ministry, for Life's Key provides the knowledge to be prepared for the Day of Christ and the coming of the Lord.” - Anthony (Michigan)

“Free on the Inside” - Michael (Pennsylvania)

*Unloosen my shackles, my handcuffs as well. Free me from sin, and release me from hell.
I am making repentance with a prayer up above. Waiting on a blessing, His mercy and love.*

The pain I had suffered was one of a kind. No pain so great that God could not unbind.

I let go of my fears, and put away my pride. I let Jesus in to be free on the inside.

A change has begun, one I cannot explain. My sorrow has gone, along with my pain.

He lent me His hands, like you would lend me a rope. I cast Him my cares, and He fills me with hope.

My thoughts, they are different. No longer the same. I am free on the inside. Let me praise Him, one name.

Jesus, you gave me what I can't repay. You broke through that prison inside me that day.

I'm free on the inside, so I will no longer drift. The love that You gave, there is no greater gift.

For HIS Glory,

Tim Priano, Director
