Dear Supporters, Volunteers, and Friends of Life's Key Ministry,

I've gotten so many encouraging letters recently that I wanted to fit in more than the usual one or two. It's so wonderful to read about the positive attitudes and hope in Christ that these men and women have, and I continue to be humbled that the Lord is using this ministry and the Emmaus courses to play a part!

"But as for me, I watch in hope for the Lord, I wait for my Savior; my God will hear me." - Micah 7:7

DEAR LIFE'S KEY,

"A few weeks ago when I returned my answer sheet on 'Discovering Bible Study', I requested information as to where I might reach out for a study Bible. I knew there were places that would send free Bibles to inmates, I just didn't have contact information for any of them. Well this week I received a beautiful study Bible from a Christian bookstore. I am pretty sure someone at Life's Key, possibly the person who graded my paper, sent this to me.

I wanted to thank whoever it was for this blessing. Not only did you bless me with the Bible, I received it when I was going through a particularly difficult time, worrying and praying for my youngest daughter, Gabrielle. I felt like receiving the Bible at that time was God's way of letting me know He was hearing my prayers and His way of reminding me that I was not alone. That He would never leave or forsake me. So receiving the Bible means more to me than I could say. Thank you so much, and God bless you!" - Courtney (Alabama)

"God is good, God is great, abounding in love, never in hate. The Lord will provide, be patient and wait, go to be baptized, be cleansed and consecrate. He will meet you at the pearly gate. God is good, God is great, He is never late. When the world gets crazy and all seems lost, pick up the Bible and read. It's worth the cost. Be steadfast, stand firm, and man your post. You will see Him, God, your Heavenly Host." - Michael (Indiana)

"Thank you for these studies over the last two years. I have thoroughly enjoyed them and learned substantially. These books have been loaned out to others as they would talk about a topic. Two of which were enjoyed so much (1 Peter and Epistles of John) that I told the two gentlemen to keep them and use them in their missions, so I no longer have these two books. Through the learnings of these studies, I have been able to gain a stronger trust and faith in Jesus.

Due to this growth, Jesus saw fit to grant my compassionate release in record time, 35 days from the day of filing. I am now waiting for my two week quarantine before being released. I was granted this release with 20 months left on my sentence! Those I was housed with could not believe it! Some were visibly angry that I was granted my motion after a month while they have been waiting over 6 months for theirs. I gave God the credit saying that's what happens when you believe in your heart. That made them even madder (they are Muslim). Thank you for all you do and keep up the awesome discipleship training. God bless you all!" - Craig (Kentucky)

"My life had been a total train wreck until February 2019 when I finally realized the depth of how truly lost I was and have been without Jesus. Without Him I had nothing and didn't even realize it until I lost everything. Now I have nothing and feel like I have everything because I have Jesus." - Patti (Virginia)
